State Bonding Awarded to Women's Center

DANBURY, June 1 - The Women's Center is pleased to announce we are the recipients of an award from the State of Connecticut bonding commission in the amount of \$991,056 for overdue critical repairs to our headquarters. These repairs will include replacement of the rubber roof, new wiring and other electrical upgrades, replacement of damaged HVAC units, installation of energy efficient doors and windows, and increased security measures.

The Women's Center gratefully thanks everyone who supported our bonding request over the past two years, especially Governor Dannel Malloy, Lieutenant Governor Nancy Wyman, State Representatives David Arconti and Bob Godfrey, and David Cappiello.

The Women's Center provides free and confidential services to prevent or lessen the trauma associated with domestic violence, sexual assault and other major life transitions to thousands of women, children and men annually. The programs of the Women's Center are supported by state and local government, area United Way agencies and the people and businesses in the communities we serve including Bethel, Bridgewater, Brookfield, Danbury, Kent, New Fairfield, New Milford, Newtown, Redding, Ridgefield, Roxbury, Sherman, and Washington, CT.
